STORYTIME KITS LENDING POLICIES AND PROCEDURES

WHO MAY BORROW

*You must have an **adult Nioga library card or a member library card** and be a leader of a group or organization (for example, nursery school teachers, day care center workers, librarians, story-tellers, church groups, etc).*

BOOKINGS

Orders are filled on a “first-come/first-serve” basis. Requests cannot be submitted more than a year in advance.

LOAN PERIOD

Storytime kits will be loaned out for a maximum of one week. A patron may borrow one kit at a time.

USE AND CARE

*There are pieces in the kits that must be handled with care because of frequent use. For this reason, you are asked to **not allow children to play with the contents of the kits**, unless such activity is called for in the story kit.*

DAMAGES

*All materials are inspected after use and are in good condition when loaned. If damage occurs **do not attempt to mend the broken materials**. If a book is damaged or lost, the borrower will be charged the list price plus one dollar. There will be a charge of five dollars (\$5.00) for loss of, or damage to, flannelboard sets, puppets, storystarter items, or specialty items.*

OVERDUE CHARGES

Borrowers will be charged three dollars (\$3.00) per day for each story-time kit not returned on time. Other patrons may have reserved the materials and need to have them on schedule.
